I am a tech enthusiast currently studying Computers and Networks at the Technical University of Moldova. Over the past 3 months, I have been honing my front-end development skills at Orange Digital Center, focusing on HTML, CSS, and JavaScript. I am eager to continue growing in the tech field and contribute to innovative projects.

Orange Digital Center / Front-End developer course

Jun 2024 - Oct 2024

Acquired practical skills in HTML, CSS, and JavaScript, focusing on building responsive and user-friendly web applications through hands-on projects.

UTM / Computers and Networks

Sep 2023 - Present

Studying computer science, actively participating in hackathons and engaging in diverse activities to enhance my skills and knowledge.

IT Portfolio

A personal portfolio website designed to display my skills and projects in a visually appealing format. [Live Demo](#) | [View on GitHub](#)

To-Do List

A user-friendly application for managing tasks, allowing users to add, edit, and delete tasks while storing data locally. [Live Demo](#) | [View on GitHub](#)

Tea Cozy

A responsive website for a fictional tea company, showcasing products and store locations with clean HTML and CSS design. [Live Demo](#) | [View on GitHub](#)

Hard Skills:

HTML/CSS, JavaScript, BootStrap, Responsive Design, Form Validation

Soft Skills:

Problem-Solving, Creativity, Communication, Adaptability, Attention to Detail
